

Pittsburgh Regional Science & Engineering Fair

Heinz Field – Club Levels
March 30-31, 2012

Get Involved!

The Pittsburgh Regional Science & Engineering Fair (PRSEF) will be held on March 30 (competition day) and March 31 (awards ceremony). Students in grades 6-12 are eligible to compete. Students will:

- Compete for nearly \$1 million in college scholarships
- Win cash prizes
- Meet scientists and engineers
- Learn about careers
- Share interests with peers
- Visit Carnegie Science Center
- Have fun

In 2012, PRSEF will celebrate its 73rd year of open competition of research projects in the fields of science, mathematics, and engineering on March 30-31, in the club levels of Heinz Field. Students research a topic, present their results on a poster board and speak to judges who include the area's most distinguished scientists and engineers. Nearly 500 awards are presented and one-third of the students win an award. Students in grades 9-12 are eligible to compete at the International Science & Engineering Fair. Middle school students are nominated for the Broadcom MASTERS Middle School Competition. **Register today!**
