HOMESCHOOL CERTIFICATION

We certify that this student's project / exhibit is entirely the work of the student only, with no help other than advice from the sponsor, parents or others. We certify that this research project will meet the requirements of the Covestro Pittsburgh Regional Science & Engineering Fair. We certify that this student's research complies with the PRSEF rules and International Rules for PreCollege Research ensuring the safety and well-being of humans and animals involved in student research, as well as the safety and welfare of the student researchers themselves. We certify that each student researcher has been working with an adult sponsor who has a solid background in science and has closely supervised the student's research.

Note: Sponsoring teachers will receive important information by email. Please check website and email frequently.
